Board Ad Hoc Strategic Planning Committee

PRESENTED BY: Board Ad Hoc Strategic Planning Committee

RECOMMENDATION

It is recommended that the Library Board endorse the 2027-30 Strategic Plan as presented.

BACKGROUND

After a 7-month process, which included a public survey, review of background documents and trends, data analysis, direct engagement with board members and staff, and the drafting of numerous versions, we are proud to present the Library's 2027-2030 Strategic Plan.

Thank you to Anand Desai and Jayme Hudyma from Monteith Brown for helping us articulate our vision for the next four years.

NEXT STEPS

Upon approval, staff will begin the process of operationalizing the plan. A public-facing document will be designed and shared ASAP.
